**MONDAY, MAY 18**

Chemistry Glass Shop: Glass blowing demonstration; 11:00am - 12:00pm Physical Sciences North, room 2520. Contact Richard Bock at x2022 or bock@chem.ucsb.edu. Limit 30, please register at http://chancellor.ucsb.edu/registration/

Staff Assembly Ice Cream Social in the Courtyard; behind Cheadle Hall; 12:00pm - 1:00pm. Let an administrator give you the scoop. Ice cream from McConnell’s will come in several delicious flavors (including non-dairy) served to you by Senior Administrators. Chat with members of the UCSB Staff Assembly, our reps in the UC system. In for information, email: staffassembly@mail.cler.ucsb.edu or check the website at: www.staffassembly.ucsb.edu

Campus Flora Tour with the Cheadle Center for Biodiversity and Ecological Restoration (CCBER); 12:30pm - 1:30pm Meet in front of Chafee Hall; 1:00pm - 2:30pm Tour through campus with CCBER. Campus Flora staff will lead you on an hour-long loop through some of the most unique and prized tree specimens on the campus. The diversity of plants is vast with hundreds of plant families represented, and makes up a unique living collection, including species from six continents and ones unique to campus. Check out the Campus Flora interactive webmap: http://earth.ucsb.edu/campusflora/

**TUESDAY, MAY 19**

UCSB Bookstore Staff Sale; 8:00am - 5:30pm 20% off selected items for staff.

San Clemente Restoration Project Tour with the Chafee Center for Biodiversity and Ecological Restoration (CCBER); 12:00pm - 1:00pm Meet at the west end of Parking Lot 38 near Harder Stadium. The CCBER staff will welcome you and give you a tour of their most current restoration effort. Come and see the native habitats that are being restored; including vernal wetlands, native grassland, and oak woodland. The restoration site features an innovative one-acre stormwater management system and bioswales designed to enhance water quality. The wild flowers will be blooming so put on your hiking shoes and let the CCBER staff guide you through this unique project.

**The Success Principles: How To Get From Where You Are To Where You Want To Be**; 12:15pm - 1:15pm Presented by Jack Canfield at Corwin Pavilion. Jack Canfield, internationally acclaimed author and motivational speaker will present a powerful presentation that will help you tackle daily challenges with confidence, learn to avoid and deal with difficult team members, ground rules and team structure, and keys to effective team meetings.

**Eyes in the Sky - Birds of Prey Tour**; 1:00pm - 2:00pm Meet in the Courtyard behind Chafee Hall. Presentation by the Santa Barbara Audubon Society. Join the Audubon Society for a two hour tutorial that will include live hawks, falcons, and owls. Come and experience the magnificence of some of our normally elusive wild neighbors presented by Coni Edick. Register at http://chancellor.ucsb.edu/registration/

**Staff Assembly Drawing**; 8:00am - 4:30pm Enroll by May 15th, $25. Call x3482 with questions. Participants learn to manage behavioral differences, maximize teamwork, and increase team productivity.

**UCSB Recreation Center Wellness Event: Healthy Eating, Happy Living**; 12:00pm - 1:00pm This free event is open to all faculty and staff at UCSB, with healthy eating and the launch of the newest wellness program, Eat Right UCSB, in mind. Lunch (available for the first 300 people; send email RSVP to eric.bono@ext.ucsb.edu, tons of great prize giveaways, and healthy cooking and Fit Squad demonstrations. Follow the sidewalk from the front entrance of the Recreation Center to the back of the building.

**UCSB Art Museum;** 1:00pm - 2:00pm Enjoy a tour of the current exhibitions at the University Art Museum which includes the main exhibition, "Toward Enlightenment: The Sacred Art of Tibet & Universe of a Dafi: A Tibetan Sand Mandala." Limit 15 people, please register at http://chancellor.ucsb.edu/registration/

**Staff Celebration Week**

**Specimen Plants at UCSB Tour with Dr. Bruce Tiffney**; 3:30pm - 4:30pm Meet in the lobby of Chafee Hall. Santa Barbara is sited in one of the most benign growing climates in North America (if you add water), and as a result, UCSB’s campus has become a living museum and testament to the interests of the generations of botanists that have taught here. Come experience a brief sample of the diversity of plants on campus. Limited to 15. Please register at http://chancellor.ucsb.edu/registration/

**WEDNESDAY, MAY 20**

Professional Women’s Association (PWA) Conference: “Empowering Women to be Architects of Change”; at Loma Pela, 8:00am - 4:30pm. In addition to this year’s keynote speaker, Rachel Ross Steidl – Founder and Owner of ParentClick, Inc. & SIBParent.com, the conference has four areas of interest: Healthy Living, Women & Money, In Her Shoes, and Building Community through Personal Enrichment. Attend a workshop from any of these areas during each session. Register at: http://www.pwa.ucsb.edu/annual_conference.php

Campus Lagoon Tour with the Chafee Center for Biodiversity and Ecological Restoration (CCBER); 11:00am - 12:00pm Meet at the Faculty Club Lawn near the lagoon. Learn about the diversity of birds and other wildlife that use the lagoon while restoration of dunes, coastal sage scrub and oak woodland in action. The East and West Depressions showcase the valuable and rapidly diminishing beach dune habitat in California.

**Tour of the UCSB Art Museum;** 1:00pm - 1:30pm Enjoy a tour of the current exhibitions at the University Art Museum which includes the main exhibition, “Toward Enlightenment: The Sacred Art of Tibet & Universe of a Dafi: A Tibetan Sand Mandala.” Limit 15 people, please register at http://chancellor.ucsb.edu/registration/

**UCSB Recreation Center Wellness Event: Healthy Eating, Happy Living;** 12:00pm - 1:00pm This free event is open to all faculty and staff at UCSB, with healthy eating and the launch of the newest wellness program, Eat Right UCSB, in mind. Lunch (available for the first 300 people; send email RSVP to eric.bono@ext.ucsb.edu, tons of great prize giveaways, and healthy cooking and Fit Squad demonstrations. Follow the sidewalk from the front entrance of the Recreation Center to the back of the building.

**UCSB Art Museum;** 1:00pm - 2:00pm Enjoy a tour of the current exhibitions at the University Art Museum which includes the main exhibition, “Toward Enlightenment: The Sacred Art of Tibet & Universe of a Dafi: A Tibetan Sand Mandala.” Limit 15 people, please register at http://chancellor.ucsb.edu/registration/

**UCSB FitSquad Strength Training Workout;** various times and locations, see listing on front. Spend 20-30 minutes building your strength with other staff during your daily work break.

**THURSDAY, MAY 21**

Human Resources Workshop: Making Teams Work; 8:30am - 4:30pm Enroll by May 14th, $105. Call x3482 with questions. Designed for those who work as part of a team, and can benefit from the skills and understanding to help their group work better together. Topics covered will include: factors that lead to a well-functioning team, stages of team development, higher functioning teams, suggestions to help teams function better, effective ways to deal with difficult team members, ground rules and team structure, and keys to effective team meetings.

**Manzanita Village Restoration Project Tour with the Chafee Center for Biodiversity and Ecological Restoration (CCBER);** 11:00am - 11:00am Meet at the Faculty Club Lawn near the lagoon. Join CCBER for a tour of one of our most prized restoration efforts; this six-acre area features native grassland, coastal sage scrub, oak woodland, and rare vernal pool habitats as well as a 1300 linear feet system of bioswales that filter storm water runoff in an environmentally conscious way. Learn about this unique area and some of the birds and insects that have been attracted by the diverse native plantings.

**Tour of the UCSB Art Museum;** 11:00am - 12:00pm See May 20 for description. Limit 15 people, register at http://chancellor.ucsb.edu/registration/
