**http://csac.ucsb.edu/registration**

(see reverse side for more info)
12-1pm Storke Tower Tour Enjoy beautiful views from UCSB’s landmark campanile and SB County’s tallest structure! There will be seven tours per hour, with 10 spots per tour. Tour guide: Chris Kelsey. Meet at bottom of Storke Tower by 12pm. http://csac.ucsb.edu/registration

3-seat Theater/Dance Behind the Scenes TOUR NEW in 2019! Walk behind the scenes of multiple theaters, stand on stage and see the audience exactly how performers would with full lights, see the workings of a scene shop, look at current and past costumes in the costume shop, and watch a short 5min performance from the theater and/or dance. You must wear closed toe flat shoes for this tour. Meet in front of the Hatlen Theatre. Tour guide: Daniel Herrera. Limit 30 people, so register in advance. http://csac.ucsb.edu/registration

Tuesday, May 21
8:30-10am Oil Point Tour This natural reserve is owned and operated by UCSB and is less than 2 miles away from campus. Guides will discuss the cultural and natural history of the area while you take a scenic walk around the reserve. The tour will last about 2 hours, so bring your walking shoes! Please note that we do have some oil on our beach. It is mostly avoidable, but I would recommend you wear shoes that you don’t mind getting some tar on the soles. Tour guide: Brian Smith. Oil Point (directions to be sent a few days prior to tour). Limit is 10 participants, so register in advance. http://csac.ucsb.edu/registration

10-11am Tour of the AD&A Museum Get to know the scenes of the tour for a Museum’s Architecture & Design Collection, the largest collection of architectural drawings in North America. This one tour will show you the climate controlled storage facility and a selection of architectural drawings, renderings, and photographs from the collection. Also on display will be drawings of UCSB campus buildings. Tour guide: Julia Larson. Location: Meet in front of the Art Museum. Limit 10 participants, so register in advance. http://csac.ucsb.edu/registration

12pm REEF, UCSB The Military Association was established to support and advocate on behalf of military personnel, staff, and students, and to serve as a bridge between UCSB and the military community in Santa Barbara. The Military Association is home to student veterans and active military members who are invited to join the UCSB Military Association for a continental breakfast in the Venture Hall North Dining Center. The Military Association was established to support and advocate on behalf of military personnel, staff, and students, and to serve as a bridge between UCSB and the military community in Santa Barbara. Please RSVP at http://forms.gle/2wUUGKQp18NBHp8. Contact Coby Dillard coby.dillard@ucsb.edu with any questions.

12-1pm Storke Tower Tour See description above. Meet at top of Storke Tower by 12pm. http://csac.ucsb.edu/registration

12-1pm Staff Assembly Cookie Contest Calling all staff bakers! To enter, send the name of your cookie and the recipe to Dana Huffman (via email at dana.huffman@sa.ucsb.edu) by Friday, May 17th. On the day of the contest, simply bring a dozen or two of your delicious cookie creation and let the judging begin! Library Room 1332 (Instructional & Training Room)

12-2pm UCISCMasc Beanpot Sale Check out the assortment of artwork and pottery available for purchase from the Campus Klin. The Faculty Club Lawn

11am-1pm Depree Museum Greenhouses Client Plant Sale Enjoy and shop for an assortment of plants! The Faculty Club Lawn

Wednesday, May 22
8:30-10am Military Association Breakfast NEW in 2019! Military and veteran employees are invited to join the UCSB Military Association for a continental breakfast in the Venture Hall North Dining Center. The Military Association was established to support and advocate on behalf of military personnel, staff, and students, and to serve as a bridge between UCSB and the military community in Santa Barbara. More info on the drawing, including the entry form can be found at http://csac.ucsb.edu/registration.

11:30am-12pm Staff Assembly Choral Concert NEW in 2019! The UCSB Chamber Choir will perform a selection of music, including a special performance of Shakespearean text settings. Join us at the Music Library within the AD&A Museum. Admission is free. http://csac.ucsb.edu/registration

1-2pm North Hall Data Center Tour The North Hall Data Center is a resource for hosting UCSB information technology systems across the academic, administrative, and research communities. Come tour the North Hall Data Center and find out how your department can take advantage of this campus resource! Limited to 25 spots, so register in advance. Meet at 1201 North Hall http:// csac.ucsb.edu/registration

2-3pm Natural History Collections Tour Natural History Collections and collection-based research are vital to discovering, understanding, and documenting biodiversity, and for informing public policy such as invasive species, climate change, evolution, and emerging public health patterns. Natural history collections represent the irreplaceable documentation of life on earth. The Natural History Collections at UCSB are crucial for researchers who seek to establish a baseline for the natural history of the region. A visit to the Natural History Collections is a fantastic opportunity to see firsthand the research that document faculty research, and the biodiversity of Santa Barbara and Coastal California. The Och爹l Center houses our Herpetology, other Vertebrates, Vascular Plants, Lichens, Algae, Invertebrate Zoology and several other small botanical and zoological collections. On the behind the scenes tour we will learn about the collections, their use at UCSB, and see some really amazing creatures! Tour guide: Greg Wahrlet. Location: CCBER Room 105. Limit 15 participants, so register in advance. http://csac.ucsb.edu/registration

1-2pm Print off your own copy of George Herbert’s “Easter Wings” to take home as a souvenir. Limited to 14 spots, so register in advance. Tour guide: Patricia Fumerton. Meet at Music 1404 (the Arts Library within the Music Building). http://csac.ucsb.edu/registration

2pm Explore the University of California’s largest outdoor living museum and testament to the interests of the generations of botanists who have taught here. Experience a brief sample tour of the Botanic Garden, including construction of three technologically sophisticated greenhouses and implementation of cuttings and seeds at the Botanic Garden. Tour guide: Bruce Tiffney. Meet in front of Cheadle Hall. Limit 20 participants, so register in advance. http://csac.ucsb.edu/registration

3:30pm Whale Watching in the Santa Barbara Channel Join a one-hour whale watching tour out of Santa Barbara. Santa Barbara is situated in one of the most benign growing climates in North America (if you add water). As a result, UCSB’s campus has become a living museum and testament to the interests of the generations of botanists who have taught here. Experience a brief sample of the diversity of plants on campus. Wear comfortable shoes.

7:30pm UCSB Chamber Players Recital NEW in 2019! Directed by Robert Koenig, the UCSB Chamber Players will present a selection of chamber music favorites. The UCSB Chamber Players, which performs chamber ensembles, duos, and occasionally larger groups, which study and perform masterpieces of the chamber music literature. Admission is free. Check out is first-come, first-served. Reservations are not available. More information is available at http://music.ucsb.edu/news/event/1693/
